How to install your NUGEN Audio product

# Installation Guide

Please follow the steps below to install your NUGEN Audio product(s):

- Visit the [NUGEN Audio website](#) and click the user icon in the top right corner (you will need to be logged in).
- In the left-hand menu, click 'Downloads' and 'My products'.
- Select your desired platform (Mac or PC) and click the download button for the relevant product (e.g. LM-Correct for PC as shown below).

- Once downloaded, run the installer and follow the onscreen instructions. Note, this may require admin access; if you do not have an admin account, contact your system administrator.

Contact [support@nugenaudio.com](mailto:support@nugenaudio.com) for further assistance.
